(b) “Initial Privilege to Practice” means the eligibility of an Occupational Therapist (OT) or Occupational Therapy Assistant (OTA) to become authorized to practice in all member states upon the issuance of an unencumbered home state license in a state which is a member of the compact.

(c) “Minor Infraction” means an infraction not related to the practice of occupational therapy as determined by each state’s regulatory authority which will not prevent a licensee from retaining or renewing a home state license or privilege to practice and which does not result in an encumbered license or is not reportable to the National Practitioners Data Bank.
